## CHALET VERB-1189 VERBIER, SWITZERLAND

### DESCRIPTION

Alpine chic and breathtaking views

The stunning chalet, recently completed in 2009, nestles in an exclusive enclave in the heights of Verbier. The location provides this property with the most breathtaking views from its many south facing terraces and balconies and is only a 5 minute drive from the centre of the village and lift stations and next to an exclusive restaurant. The interior of the chalet has been professionally designed throughout and it is the height of Alpine chic, with worn leather sofas, distressed antique wood finishes and beautiful Alpine detailing. The chalet is set out over 4 floors and sleeps up to 14 people (10 adults and 4 to 6 children). Adjoining the chalet, there is a self contained guest Mazot that sleeps 2 adults and 2 to 3 children. There is also a small kitchenette and dining area.

The main chalet has an extensive open plan living and dining area with double height windows with breathtaking views. The dining table comfortably sits 14 and is open to the kitchen area. Stairs lead to a mezzanine office area and to the master bedroom with en-suite marble bathroom and fireplace.

The further 2 floors house additional bedrooms and also a cinema room, perfect for entertaining the children while you are enjoying a glass of champagne in the main living room. The ground floor gives access to the garage and cave where an extensive wine collection is available for purchase by the bottle.

The chalet also boasts one of Verbier's most extensive private Spa facilities. This is finished throughout in Italian marble with views over the valley and mountains beyond. These lavish facilities include an L-shaped pool with adjustable floor depth and swimming current (floor can be lowered or raised for children or to transform it into a dance floor), Hammam (steam room), indoor and exterior Jacuzzi, a sauna and a small bar. Adjacent to the Spa is a massage room where one of the in-house team can ease your aches and pains from the day's skiing.

Guests have access to one internal and two external parking spaces. A dedicated driver and vehicle means you are only a five minute drive from the centre of the village and lift stations.

The chalet is available on a catered or a self catered basis.
